Wasnington, Feb. 27.—Secretary Newberry has approved that portion of the sentence of the court martial which, at Gibralta, sentenced Captain Edwin F. Qualtrough, of the battle-ship Georgia, to a loss of ten numbers in rank following a trial on charges of intoxication and conduct unbecoming

The suspension of Captain Qualtrough for six months, approved by Admiral Sperry, required no action by the department.

RESULTS IN RIOT

Tragic Death of King of Portugal Enacted by Masqueraders

Lisbon, Feb. 26, via The Frontier, Feb. 27.—The carnival celebrations held in Lisbon this week resulted in serious rioting, and a number of encounters with the police, during which numerous people were injured, and about 200 arrests were made.

The precautions taken by the authorities were successful in preventing any demonstrations early in the month on the first anniversary of the assassina tions of King Carlos and the crown prince, but the population took advanage of the carnival time to indulge n the manifestations they wanted to hold three weeks ago. The assussiu-ations of February 1, 1908, were repeatedly enacted at various points throughout Lisbon by persons made up to represent the late King Carles and the crown prince, Queen Amelie Prince Manuel, and the regicides, Cos ta and Buissa, as they were attired on the day of the tragedy, while other groups, carrying coffins containing skeletons to represent King Carlos and the crown prince, gave representations of the funeral procession to an accompaniment of blasphemous songs

The police were completely taken by surprise and when they attempted to stop the scandalous proceedings, the lower classes sided with the masquer aders and received them with volleys of stones. Women aided the rioter by throwing missiles from windows The police finally had to make free use of their revolvers and swords. They charged right and left and a pan ic followed. The situation was such that the police could not control it, and troops had to be summoned. The streets finally were cleared by the military who made wholesale arrests

ASSEMBLY AND SENATE

ARE DEADLOCKED Sacramento, Feb. 27.-The assembly and senate of the legislature are dead-locked over the question of establishing a line of steamers between California ports and Panama, to be operated by the federal government in competition with the Harriman inter-The assembly is against project and resents the denunciation of the Pacific Mail Steamship com pany in Senator J. B. Sanford's joint resolution which caused all the friction. The senate is just as determined in its stand for the original resolution The assembly refused today to recede from its amendments to the measure as requested by the upper house and Speaker P. A. Stanton appointed a committee to confer with a like com mittee of the senate.

CLOSING QUOTATIONS OF WORLD'S MARKETS

OPENING PRICES IN STOCKS MOVE BRISKLY

New York, Feb. 27 .- Opening prices of stocks moved briskly upwards, helped by the higher range of prices sent from London. A large number of the active trading stocks including the Pacifics, Reading and the metal stocks showed gains of a large fraction. Minneapolis, St. Paul & Sault Ste Marie rose 1 3-4, Kansas City Southern 1 1-2, Amalgamated Copper 1 1-4 and Louisville and Nashville 1.

Speculation broadened and there was a further pronounced rise before the market began to feel the weight of the realizations in the railroad list and bear pressure against the specialties. Reading ran off 1 1-2 from its high price, Louisville & Nashville and many others a substantial traction. The market closed firm. Northwestern gained 2, Utah Copper 1 5-8. Mercantile Marine preferred and Unit ed States Rubber first preferred 1 1-2. and Toledo, St. Louis & Western pre-ferred 1 1-4. The decline in Reading to 2 5-8 under yesterday was due to the dread of a decision on Monday by the supreme court against the rail-roads in the commodities clause case The whole list ran off in sympathy unadvances were nearly wiped Brooklyn Transit fell 1 below yester-day. When Reading rallied 2 points, prices hardened again, but the demand was languid, Wisconsin Central rose
